A card from Eld. F. M. Tindler, who is holding a protracted meeting at Kirksville, states that he lost a bunch of letters last week while driving in the country and would be grateful to the finder if he will return them to the Post Office.

Sale of Town Property.

Hughes & Swinebroad report that they have sold for Henry Simpson his property on Hill street, to L. J. Sanford, of Kirksville, for the sum of \$1,500. Mr. and Mrs. Sanford are coming here principally on account of our schools and Mr. Sanford is going in business here. We are glad to welcome such people as these to our city.

The store at Point Leavell will be run by Mr. John Anderson. This is a good stand and with Mr. Anderson's friends, success is sure to be his.

George Leavell, colored, reported to us that he had put Point Leavell back on the map, by moving the store, which was washed several hundred yards down the creek, back to the pike. The store is now on high ground, being about one hundred yards west of where it was originally.

Court Day Notes.

The largest crowd that has attended court for many months was here Monday, and although September court usually brings a good number, this one seemed to be larger than last year.

Business was very good with both stock men and merchants and exceedingly good with the candidates.

Many mule colts were on the market and they brought good prices, ranging from \$60 to \$120. Aged mules brought from \$125 to \$250. Horses brought from \$125 to \$225. Butcher cattle brought from 2 to 3 cents, feeders from 24 to 44. Sheep sold at from 4 to 5 dollars per head.

Sale of Bank Stock.

On court day Capt. I. M. Dunn sold eight shares of Citizens National Bank stock, belonging to the estate of Miss Nell McGrath, deceased, to C. D. Walker at \$154.50 per share and five shares of National Bank stock belonging to same party, to J. S. Johnson, Sr., at \$135 per share.

Painful Accident.

H. Pendleton, of near Buckeye, is suffering from a painful accident. A wagon ran over his foot, breaking some bones. Dr. G. M. Hendron was called and after thorough examination found that his toe would have to be amputated. The operation was quickly performed and at last reports the patient was doing well.

The Centennial Celebration of Disciples of Christ will be held in Pittsburgh, Pa., from October 11 to 19 inclusive. Special trains will leave Louisville and Lexington at 7:30 a. m., on October 11, arriving in Pittsburgh at 6:30 p. m., same date. The crowd going from Kentucky will be large.

Will Probated.

The will of Robt. M. West was probated Monday. It bequeaths the home on Danville avenue to his sisters, Misses Fannie and Bette, his mother to have a home with them for life. At her death the remainder of his property is to be divided among his brother and sisters. The will names Geo. B. Robinson, as executor without bond.

Business Change.

The well known grocery firm of Curry & Davidson has dissolved partnership. Mr. Curry buying the interest of Mr. Davidson. Mr. Curry, who has been in the grocery business in Lancaster since his childhood, except a few months when he was with the creamery, is a very practical grocer and all who watch his advertisements in the Record will profit thereby.

Address to Women's Club.

Mrs. Leech, of Louisville, addressed the Women's Club Monday afternoon to hear the address delivered to the Women's Club by the President of Federated Clubs, of Kentucky, Mrs. Leech, of Louisville. She touched upon civics, school improvement, tuberculosis, ending with rather a humorous expose of Fletcherism.

Mrs. Leech was presented with five dozen roses in the name of the Lancaster Women's Club, it being the first to come into the federation after her election to office.

The Big Lexington Trot.

The greatest trotting meeting in the world begins at Lexington, Ky., on Tuesday, Oct. 5th, and continues 10 days. The best racing and music in the country. Remember the dates. Oct. 5 to 16, and attend.

Better Still.

"You can't make a man a gentleman by calling him one," said the moralizer.

"True," rejoined the thoughtful thinker, "but nine times out of a possible ten you can please him and thereby carry your point, and that is more to the purpose."

The Spirit of the Law.

Judge—You are charged with being the leader of an organized band of pickpockets!

Peasimistic.

WEST.

A deep gloom and intense sorrow pervaded this city, county and other sections of the country when it was announced that

ROBERT M. WEST

died on last Friday night. Although he was stricken with paralysis a week previous and his recovery was in doubt yet his friends and relatives hoped and prayed that he would be restored to health.

Impressive funeral services were conducted at the family residence, on Danville avenue, Sunday afternoon, by Eld. F. M. Tindler, assisted by Rev. C. C. Brown. The statements made, in reference to the exemplary life of the deceased, the profuse floral offerings and the sweet, soul-thrilling music, all conspired to attest the exalted moral and Christian character of this noble man. The remains were laid to rest in Lancaster Cemetery, and as sure as there is truth in the Book of Inspiration the finger of God will find his grave on Resurrection morn.

A vast throng of people attended the funeral, consisting of his large and distinguished relationship, many residing in this city and county, and many prominent persons, from other counties, with whom strong ties and attachments were formed, on personal considerations and by business relations. He was in his 38th year, unmarried and is survived by his mother, Mrs. Rebecca West, three sisters, Misses Fannie and Bette and Mrs. George B. Robinson, of Danville; one brother, James L. West, two half brothers, J. M. and W. A. Hiett, to all of whom sincere condolence is extended. He was a member of the Christian church and a favorite in social life, having held places of public trust, and always being true to the best interests of the people, whether in political or commercial relations. His farming interests were extensive and he handled agricultural products on a large scale.

A man free from guile and deception, void of policy, true to the right, in every condition of life, a faithful friend, a devoted son and brother—his character penetrates moral darkness and serves as a guide to lead us in the paths of honor, truth and virtue. Such spirits are attracted to Heaven as pebbles are drawn to the earth, and we should so live that we may meet him in the abode of the redeemed.

Waste of Good Money.

Think of a dinner costing \$25 a plate when a shote can be fattened into a 400-pound hog for less!—Charleston News and Courier.

First Cousin of Lincoln's.

We had the pleasure last Friday of having for our visitor at the Record office, Mr. Ambrose Cobb, of Jessamine county, who is a first cousin of President Abraham Lincoln, and the father of Mrs. James Witt, of Buckeye, making her Lincoln's second cousin.

The relationship between Mr. Cobb and the President was made by their mothers being sisters.

Mr. Cobb was in town on business, representing the Lawrenceburg Granite & Marble Works, of Lawrenceburg, Ind. He is an unusually well preserved man and stands very erect, though he will be 78 years old in January.

The resemblance, between Mr. Cobb and the latest pictures of the President, was very striking, as his beard was cut in about the same manner and he had very prominent cheek bones, which must have been characteristic of the two families.

He married Miss Hunter about 57 years ago, and to this union were born three boys and three girls, all of whom are living save one. During his conversation, he spoke of a re-union of the families in Shelby county when he was about ten years of age, saying that he and "Abe", as he called him, had driven up the cow lots of times together, and that on more than one occasion "Abe" had thrown him over his shoulder at play. We appreciate this visit and hope Mr. Cobb will come again here long.

School Notes.

The school heard with much pleasure a talk on Monday morning by Rev. Elmer of Cynthiana.

He used as his subject "S. S. S." Not the patent medicine known by that name, but a cure which he offered for ignorance. The first S. stands for Start. In the race of life we must start early, and start right. The outcome of the race often depends upon the start which we make.

S. number two means Stick. A good start will amount to little without stickability. Many a task calls for hard work. The pupil who sticks to his task is the only one who can hope to accomplish any worthy thing.

The last S. means Stand. Pupils should strive to stand first. The tests of school are to show pupils where, and how well they stand. The standing in school will forecast one's standing in after years.

Rev. O. P. Hush visited the school Monday.

Mr. Sanford, of Kirksville, came in to see us Monday, with the intention of entering his children in school. He has bought property near the school.

Quite an enjoyable program was rendered Friday afternoon by section "A" of the Excelsior Circle of the eighth grade.

Desiring to honor their chosen poet all the selections were from Longfellow and were the following:

Life of Longfellow, J. C. Hemphill; Psalm of Life, Mary Clay Williams; Selection from Evangeline, Marie Hallard; Selection from Evangeline, Ector Lawson; Childrens Hour, Eliza-

beth Collier; The Wreck of the Hesperus, Bernie Lear; The Village Black Smith, Lucian Grant; Rains Day, Eliza Cox; Song from the Portuguese, Ethel Lutes; Paul Revere's Ride, Carl Acton; Curfew, David Rankin; Excelsior, Robert Thomlinson; Music by Mary Johnson and Patsy Kinnard.

ANNOUNCEMENT.

To the Republican party of Garrard county: I am the Republican nominee for County Attorney and will appreciate your support. B. D. Herndon.

As we went to press Thursday afternoon, the 13th republican judicial committee was in session and had not acted on Capt. Wm. Herndon's candidacy for the republican nomination for circuit judge in this district. When the vote was taken in the committee as to whether a convention should be called or not, the committee voted up, Messrs. Davidson and Estridge voting against the making or calling for a nomination and Messrs. Swope and Ransdell for doing so. It was pretty tough on the Captain to be the only candidate for said nomination and have the steam roller machine run over his wishes in the premises, especially so too, when his county chairman, Mr. Estridge, voted against his own county-man. Captain, you must bow to the bosses and the republican machine. However, a nomination against Judge M. C. Sanley would only have been love's labor lost.—Interior Journal.

Falling to be endorsed by his party will cause him to lose many votes, as the party organization will not feel bound to support him. It appears suicidal to us, but this is a matter for him to consider and he had better look well before he leaps.

The Advocate taken great pleasure in laying before its readers in this issue the eloquent and excellent address delivered by Hon. Harvey Helm, Congressman from this district, Wednesday afternoon in connection with the ceremonies incident to laying the cornerstone of the Government building in this city, the appropriation for which he has been largely instrumental in obtaining. Without invidious distinction or in any way detracting from the merits of others delivered on the same occasion, it can be truthfully

said that it will compare favorably with any ever before delivered anywhere by anybody at any time, and all those not fortunate enough to hear it upon personal will bear out this assertion. Congressman Helm has not only developed into an orator of great ability, but has, during his term in the House, proven himself an intelligent, faithful and conscientious worker for the best interests of his constituents, and should and doubtless will receive the plaudit of "well done, good and faithful servant."—Kentucky Advocate.

The camps of the Democratic county nominees, are fully equipped and recruits are daily being added to their ranks. The ticket is a strong one and the county administration has been such as to insure the support of a large majority of the voters. Business men take no risks and are satisfied when conditions are favorable to the general welfare.

President Taft is even electioneering with the Mormons, by preaching in their church, but he will lose out with the Republicans, of the west, on account of the stand he has taken on the tariff bill. A solid South and West will elect a democrat in 1912.

If the Burley Tobacco Society would insure that tobacco tenants would receive 50 per cent of their crops to live on during the pool, we believe that Garrard county could be pooled.

It still looks like Cook. Peary's conduct will never be approved by the people.

It's A Top Natch Door.

Great deeds compel regard. The world crowns it's doers. That's why the American people have crowned Dr. King's New Discovery the King of "Throat and Lung" remedies. Every atom is a health force. It kills germs and cures colds and lagrippe vanishes. It heals cough-racked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. Geo. More, Black Jack, N. C., writes, "It cured me of lung trouble, pronounced hopeless by all doctors." 50c, \$1.00. Trial bottle free. Guaranteed by R. E. McRoberts. 1m

to A. A. Chisolm, of Treadwell, N. Y., now. President Taft preached a sermon in the Mormon Tabernacle at Salt Lake Sunday. His text was "A soft answer turneth away wrath, but grievous words stir up anger." The President made an appeal for amity between the people for attributing the best rather than the worst motives to the action of others when possible to do so and not to harbor hatred or animosity.

Harry Whitney, of New Haven, Conn., the hunter who has figured in the Cook-Peary controversy, is on his way home. In a dispatch from Indian Harbor, Labrador, he confirmed Dr. Cook's statement that Cook had told him he had been to the North Pole, and that he had cautioned him to keep the secret from Peary. He also said that Commander Peary had refused to let him place Dr. Cook's box of instruments and records on board the Roosevelt when he came south. Dr. Cook said that the data he gave Whitney was only a duplicate of what he had, and that it was not essential, as he could compile his records from the observations and data he had reserved.

Why We Are Stronger.

The old Greeks and Romans were great admirers of health and strength; their pictures and statuary made the muscles of the men stand out like cords.

As a matter of fact we have athletes and strong men—men fed on fine strength making food such as Quaker Oats—that would win in any contest with the old Roman or Greek champions.

It's a matter of food. The finest food for making strength of bone, muscle and nerve is fine oatmeal. Quaker Oats is the best because it is pure, no husks or stems or black specks. Farmers' wives are finding that by feeding the farm hands plentifully on Quaker Oats they get the best results in work and economy. If you are convenient to the store, buy the regular size package; if not near the store buy the large size family package.

SURPRISING CONDITIONS A

CITY WHERE GRAY-HAIRED
PEOPLE RIDICULE THE
OSLER THEORY.

We learn that a cartoon of the Q-
Ban Hair Restorer and Tonic was
bought by one firm of retail druggists
in Omaha City. Recently the gray
hairs and those people possessing this
strangely hair living in Omaha City,
are commencing to realize that the
advantage of preserving a youthful ap-
pearance is not to be lightly disregard-
ed. Dr. Osler's theory may be wrong
but nevertheless, many men have failed
to secure a position that otherwise
they might have secured but for the
gray hairs that announced the ap-
proach of loss of energy and youth.
Who makes the best impression on
the employer seeking help—the man
with gray hair, or the man with a
youthful head of hair? The use of
Q-Ban Hair Restorer can make some
people look as if twenty years had been
rolled back for them.

We publish below a testimonial, that
came unsolicited, the writer testifies
to the fact that two weeks' course re-
stored the gray hairs he had to the
original color. If Q-Ban Hair Re-
storer does not do the same for you
after using six bottles, your money
will be refunded by the druggist of
whom you buy the preparation. We
claim for the Hair Tonic that it will
keep your scalp in a healthy condition
and will increase the length of the
hair at least three inches per year un-
til the limit of growth has been reach-
ed.

R. E. McRoberts recommends and
sells these preparations.

If you are gray haired or your hair is
commencing to fall you can have the
first full 50c bottle by sending 12c
in postage to the Hensig-Elis Drug
Co., Memphis Tennessee.
